{7/18/08 – 8/29/08 : Here are some questions about various groups in our society. Below are left-right scales on which you can rate characteristics of people in different groups.

For the item below, the far left side of the scale means that you think most of the people in that group are extremely "hardworking." Placing the slider on the far right side means that you think most of the people in that group are extremely "lazy." The middle means that you think the people in this group are not particularly toward one end or the other.}

### Question Q60\_3

Variable SB07

Ask only on 7/18/08 – 8/29/08.

Ask only if respondent is white, black, or Hispanic [SOC-REF\_3 = 1 – 6].

Where would you rate physicians in general on this scale?

[Show response scale as horizontal slider with "extremely hardworking" at left, "extremely lazy" at right. Do not display numeric equivalents to respondent.]
